Sandwiches

We have spent 28 years perfecting the art of sandwich making. Attention to details, such as oven roasting and seasoning our own roast beef, corned beef, and roast pork, make for the freshest and best tasting sandwiches anywhere. Even our spreads are freshly made in house, including garlic mayonnaise, dill sauce, 1000 island dressing for our world class Rueben and olive salad for the New Orleans inspired Muffuletta. Fresh bread is delivered daily from several local bakeries. Try one of our specialty sandwiches and you'll understand the Mott & Hester difference.
